Detailed Action

Objection to the Abstract

The abstract of the disclosure is objected to because the abstract is too long (i.e. exceeds 150 words in text), and it is not limited to one single paragraph.

Correction is required. See MPEP § 608.01(b).

Claims Objection

Claims 1-26 are objected to because of the following informalities:

(1) In claim 1, lines 6 and 9, "pivotably mounted on" should read --for pivotably mounting on-- since the claimed invention is directed to a linkage mechanism, and the appliance body is not part of the claimed combination.

(2) In claim 5, lines 7 and 10, "pivotably mounted on" should read --for pivotably mounting on-- since the claimed invention is directed to a linkage mechanism, and the appliance body is not part of the claimed combination.

(3) In claim 6, line 3, "5" should read --16--, and "I" should be deleted.

(4) In claim 18, line 2, "the shaver body" should read --the body-- (note line 3 of claim 1).

(5) In claim 19, line 1, "links" should read --link members--.

(6) In claim 22, line 1, after "head (1)", --carrying at least one hair removal member and-- should be added, and "a head (1) carrying at least one hair removal

member;" (at line 4 of the claim) should be deleted, since the claimed invention is directed to a linkage mechanism, and the head of the hair removal appliance is not part of the claimed combination.

(7) In claim 22, line 5, "pivotally connected to" should read --for pivotally connecting to-- since the claimed invention is directed to a linkage mechanism, and the head of the appliance is not part of the claimed combination.

(8) In claim 22, line 7, "pivotably mounted to" should read --for pivotably mounting to-- since the claimed invention is directed to a linkage mechanism, and the appliance body is not part of the claimed combination.

(9) In claim 22 (at line 10) and claim 23 (at line 2), "pivotably mounted on" should read --for pivotably mounting on-- since the claimed invention is directed to a linkage mechanism, and the appliance body is not part of the claimed combination.

(10) In claim 22 (at lines 11-12) and claim 23 (at line 3), "said first and second said support arms" should be simply read --said first and second support arms--.

Appropriate correction is required.
